REFUND POLICY

If the agency must cancel a program, then members will be given a credit voucher towards a future program or towards their membership fees. There are no administration fee charges. If the member decides to no longer participate in a program, then no refund applies.

Annual membership fees, when paid in full or through the 3-month payment plan, are non-refundable after 30 days. Membership refunds are issued within the 30 day period minus a 10% administration fee.

Another available option to members would be an extension of their membership expiry date, when annual fees had been paid in full, for up to an additional 3 months upon provision of medical evidence (ie doctor's note). This option does not include any refunds or administration fees.

Membership fees, when paid through the pre-authorized debit program, can be cancelled any time after the first payment following notification of a minimum of 30 days. This option does not include any refunds or administration fees.

Exceptions to the membership refund will be considered under extenuating circumstances (eg. the person is under doctor's orders to curtail activities, or due to illness or due to death of family member).

If a member rejoins within 5 months of having given a cancellation notice then an administrative fee of \$25 will be charged prior to reactivation.
